Explorez la Martinique

By : Claude Morneau
Le guide Ulysse Explorez la Martinique est l’outil idéal pour planifier un voyage et tirer le maximum d’un séjour en Martinique, cette île de la mer des Caraïbes surnommée l’île aux fleurs, qui fait partie des Antilles françaises. Tout en couleurs et en photos, le guide de voyage Explorez la Martinique est aussi agréable à consulter qu’ultra-pratique grâce à son format de poche et sa structure facile à comprendre en un clin d’œil. La première section, intitulée « Le meilleur de la Martinique », met en lumière à l’aide de listes thématiques ce que la destination a de mieux à offrir et facilite l’organisation générale de son séjour selon ses envies tout en ciblant les incontournables. La section « Explorer la Martinique » propose ensuite huit itinéraires clés en main pour ne rien manquer des différentes régions de l’île : Fort-de-France, la pointe Sud-Ouest (incluant le Diamant, Trois-Îlets et la Pointe du Bout), la route des plages du Sud (incluant Sainte-Anne et la Grande Anse des Salines), la côte Sud-Atlantique (Vauclin, François, Robert), la côte Nord-Caraïbe (incluant Le Carbet et Saint-Pierre), la Route de la Trace et la montagne Pelée, la presqu’île de la Caravelle et la côte Nord-Atlantique (de Sainte-Marie à Grand’Rivière). Pour chaque itinéraire, un plan double-page clair et précis permet de se repérer dans la région couverte, avec localisation des attrats, activités, boutiques d’artisans, restaurants, bars, boîtes de nuit et lieux d’hébergement. Impossible de louper quoi que ce soit! Qui plus est, un système d’étoiles et les coups de cœur d’Ulysse guident le lecteur vers les adresses qui se démarquent. Le chapitre « Martinique pratique », bourré de renseignements utiles pour mieux voyager, complète l’ouvrage. À tout cela s’ajoutent des cartes sur les rabats de la couverture - vue générale de la Martinique, zoom sur Fort-de-France et ses environs - pour un accès rapide et pratique.
République dominicaine 2017 Petit Futé

By : Dominique Auzias & Jean-Paul Labour

Les côtes dominicaines déploient plus de 1 500 km de côtes idylliques, qui selon les régions, revêtent des personnalités très différentes. Sauvages et secrètes, cachées au fond d'anes profondes à l'abri des courants marins, piscines naturelles protégées par des barrières de corail, longues plages balayées par des vents réguliers et puissants, sable blanc perlé et poudreux ou galets, franquées de cocotiers ou d'amandiers, adossées à des vertes collines dodues, intimes et nonchalantes ou branchées et vibrantes d’activité et sillonnées par les sportifs de tout poil ; ces plages qui invitent au farniente ou à la voile (windsurf ou kitesurf) sont sans conteste parmi les plus belles du monde.

BEST OF SAINTE-LUCIE / GRENADINE 2017 Petit Futé

By : Dominique Auzias & Jean-Paul Labour

A few nautical miles South of Martinique, the island of Saint Lucia has been the theatre of numerous conflicts between France and the United Kingdom before becoming independent in 1979. The result of this double historical influence is a mixed heritage and, although Saint Lucia remains a privileged spot for English speaking travelers, the relations between Saint Lucia and the French West Indies are very strong. Spending a day or a week-end in Saint Lucia has been a habit of the Martiniquais for a long time. They come here looking for the locals’ warmth and joie de vivre (joy of living), as well as the diverse landscapes, from the exceptional and unique diving spots to the iconic rocky peaks (Petit-Piton and Grand Piton) overlooking the Caribbean Sea. Do not miss the Saint Lucia Jazz & Arts Festival on Pigeon Island, in May, the main event of the year ! The carnival, in July, and the famous festivals of the fishing villages of Gros-Islet and Anse-la-Raye, are definitely other reasons for a short and colourful getaway.

JAMAÏQUE 2018/2019 Petit Futé

By : Dominique Auzias & Jean-Paul Labour

Troisième des grandes îles des Caraïbes, la Jamaïque est une destination touristique à découvrir de toute urgence. Ile de hautes terres aux reliefs accidentés, à la végétation luxuriante, ouverte d'un fin
littoral de sable blanc et enchâssée dans un écrin de lagons, c’est une terre secrète et prodigieuse. Elle est le berceau du rastafarisme et du reggae qui ont énormément influencé la culture contemporaine. C’est aussi une terre secrète qui ne distille sa magie que de façon très subtile.
