The recorder is a woodwind musical instrument in the group known as internal duct flutes—flutes with a whistle mouthpiece. A recorder can be distinguished from other duct flutes by the presence of a thumb-hole for the upper hand and seven finger-holes: three for the upper hand and four for the lower. It is the most prominent duct flute in the western classical tradition. 1 No. 4 for Treble Recorder (Flute, Oboe, Violin) & Guitar (score & parts).
