The Great Trek (Afrikaans: Die Groot Trek; Dutch: De Grote Trek) was an eastward migration of Dutch-speaking settlers who travelled by wagon trains from the Cape Colony into the interior of modern South Africa from 1836 onwards, seeking to live beyond the Cape’s British colonial administration. The Great Trek resulted from the culmination of tensions between rural descendants of the Cape’s original European settlers, known collectively as Boers, and the British Empire. It was also reflective of an
