Worldwide shipping Emily Brontë - Person - National Portrait Gallery Oct 19, 2017. This thesis offers a textual analysis of Emily Brontes novel Wuthering Heights and, to a lesser extent, her poems in an effort to understand fully.
Attempts to present a definitive rational explanation of Emily Brontë’s *Wuthering Heights* have been a growing concern since its publication in 1847. The abundant, yet incoherent, interpretations of *Wuthering Heights*, each taking one element of the novel and extrapolating it towards total explanation, make the need for this research timely. God help us through our misery And give us rest and joy with thee When we reach our bourne! www.wuthering-heights.co.uk. Emily Brontë Biography. Emily Bronte is a poetess and novelist belonging to the Victorian era and her novel *Wuthering Heights*™ is a timeless novel. This biography provides detailed information about her childhood, profile, career and timeline. Quick Facts. Emily Bronte is an exponent of English literature and her only novel has been regarded as a masterpiece. This author was a person who preferred to be at home than going out and mingling with people. She was immersed in her own world and had no desire to venture beyond the threshold of her house. Apparently, her siblings were her only friends. This withdrawn writer lapsed into homesickness every time she stayed away from home.
