Reprints
AJAE is the top journal in the agricultural economics field according to studies reported by Kalaitzidakis, Mamuneas & Stengos (Canadian Journal of Economics, 2011), Kodrzycki and Yu (B.E. Journals in Economic Analysis and Policy, 2003), and Ritzberger (German Economic Review, 2008). In 2012, 4,462 total citations make AJAE the most cited agricultural economics and policy journal and the 20th most highly cited journal among all economics titles. 41% of citations to journals in the field of agricultural economics and policy were to AJAE. The 2017 AAEA Outstanding American Journal of Agricultural Economics Article Award: Empirical Identification of Behavioral Choice Models under Risk David R. Just and Richard E. Just.
