INSTITUTIONAL REPOSITORY LICENCE

All Loughborough authors submitting work(s) are required to sign a printed Institutional Repository Licence. If you have not previously signed a paper copy of the licence then please print the licence out, complete and sign the form and return to: IR Manager, Support Services Team, Pilkington Library, Loughborough University. You only need to sign the print copy once.

Note: You will still need to grant a licence for each electronic submission you upload to the LUPIN database.

NAME:

DEPARTMENT:

Thank you for depositing your work(s) in Loughborough University's Institutional Repository.

By depositing your work, and any future work you may submit, you agree to the Terms and Conditions of this non exclusive licence:

- **You are free** to publish this work or works elsewhere in their present or future versions.
- **You confirm** that:
  - a) you are the single or joint creator of the work(s).
  - b) the work(s) are original and to the best of your knowledge do not infringe anyone’s copyright.
  - c) the work(s) do not violate or infringe any UK law.
- **We agree to**:
  - a) check publisher copyright permissions to ensure that your work(s) can be placed in the Institutional Repository.
  - b) add the work(s) to the repository so they are freely available online for the lifetime of the repository.
  - c) convert them as necessary to ensure they can be read by computer systems in the future.
- **We reserve** the right to remove the work(s) for any legal or administrative reason.
DEPOSITOR’S DECLARATION

1. I hereby grant to Loughborough University Institutional Repository a non-exclusive licence on the terms outlined below. I warrant that:

1.1 I am the creator of all or part of the whole work(s) (including content & layout).

1.2 The work(s) are not in any way a violation or infringement of any copyright, trademark, patent, or other rights whatsoever of any person.

1.3 That if the work(s) have been commissioned, sponsored or supported by any organisation, that I have fulfilled all of the obligations required by such contract or agreement.

THE REPOSITORY’S RIGHTS AND RESPONSIBILITIES

2. The IR:

2.1 May distribute copies of the work(s) (including any abstract) worldwide, in electronic format via any medium for the lifetime of the repository for the purpose of free access without charge.

2.2 May electronically store, convert or copy the work(s) to ensure their future preservation and accessibility.

2.3 May incorporate metadata or documentation into public access catalogues for the work(s).

2.4 Shall retain the right to remove the work(s) for professional or administrative reasons, or if they are found to violate the legal rights of any person.

2.5 Shall not be under obligation to take legal action on behalf of the depositor or other rights holders in the event of infringement of intellectual property rights or any other right in the material deposited.

2.6 Shall not be under obligation to reproduce, transmit, or display the work(s) in the same format or software as that in which it was originally created.

SOFTWARE

3.1 Copyright in additional data, software, user guides and documentation to assist users in using the work(s) shall belong to the IR on behalf of Loughborough University and any other parties that IR may choose to enter into an agreement with to produce such materials.

3.2 While every care will be taken to preserve the physical integrity of the work(s), the IR shall incur no liability, either expressed or implicit, for the work or for loss of or damage to any of the work(s) or associated data.

DEFINITION & TERMS

4. In this agreement: ‘Work’ means each item being deposited including any abstract, text, images and related data.

‘Institutional Repository’ means any service provided by Loughborough University to permit third parties to access electronic materials at no charge and which follows the principles of Open Access outlined in the Bethesda Statement:

(see http://www.earlham.edu/~peters/fos/bethesda.htm.)

SIGNATURE: .................................................................DATE: .................
Needless to say we went to the flying field shortly after midnight. I've promised to call at his house and have him take me out to the flying field. Ribiera chaffed him jovially on the way to the flying field. I'll telegraph for a car and it will be at the flying field when you arrive. Toward evening, he returned to the flying field and examined his machine. There was the greatest activity and noise about the flying field. It had been brought to them from th A 21st century hypersonic aircraft may open a new age of aircraft design. The designers of this country displayed the project of such a supersonic. They will fly so fast that ordinary aircraft windows would make the structure too weak to withstand the stresses at such a speed. At high velocities the air resistance in the lower atmosphere is so great that the skin is heated to very high temperature. The only way out is to fly higher. Therefore, airliners’ routes will mainly lie in the stratosphere.
